Sir:

PETITION TO WITHDRAW A HOLDING OF ABANDONMENT

PURSUANT TO 37 C.F.R. §1.181

Pursuant to 37 C.F.R. §1.181, Applicants respectfully petition for withdrawal of the holding of abandonment for the above-referenced patent application, which, as indicated in a Notice of Abandonment mailed by the U.S. Patent Office on December 15, 2003 and received on December 17, 2003, was deemed to be abandoned for Applicants' alleged failure to properly respond to an Office letter mailed on May 27, 2003.

STATEMENT OF FACTS

The Attorneys of Record for Applicants confirm receipt of the Office letter of May 27, 2003, which Office letter indicated that claims 1-11 are rejected.

On July 11, 2003, the Attorneys of Record for Applicants sent via first-class mail, a complete and timely response to the Office letter of May 27, 2003. In particular, Applicants sent a response to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, which contained the following materials, copies of which are enclosed herein:

- (1) An amendment transmittal including a duly executed certificate of mailing bearing the date of July 11, 2003,
- (2) An amendment and response to the Office Action dated May 27, 2003;
- (3) Copy of papers previously filed to correct the filing date; and
- (4) A copy of the return receipt postcard;

As indicated in (1) above, the amendment transmittal included a duly executed certificate of mailing (pursuant to 37 C.F.R. §1.8). The certificate of mailing properly certified that the correspondence was deposited with the United States Postal Service with sufficient postage as first class mail in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, Virginia 22313-1450, on July 11, 2003. The Attorneys of Record received the return postcard date stamped by the United States Patent Office on August 11, 2003. The date stamped on the postcard is July 16, 2003 (copy enclosed).

The Attorneys of Record for the subject application received a Notice of Abandonment (mail date: December 15, 2003) for the above-referenced application on December 17, 2003, for Applicants' alleged failure to submit a proper response to the Office letter of May 27, 2003.

RELIEF REQUESTED

Applicants respectfully request that the Commissioner, based on the following arguments, withdraw the erroneous holding of abandonment and enter the enclosed response into the record for the subject application.

ARGUMENT

The within petition and the related enclosures are being filed within three (3) months of receipt of the Notice of Abandonment. Accordingly, the within petition is considered to be timely filed [37 C.F.R. 1.181(f)].

MPEP 711.04(c) provides that a petition to withdraw the holding of abandonment may be adequate relief when a response with a certificate of mailing has been filed by an applicant but

was not received. The MPEP also suggests that a Petition to revive is not required in these circumstances. The foregoing is believed to be applicable to the facts relating to the abandonment of the subject application.

In the instant case, Applicants filed a timely and complete response to the Office letter mailed on May 27, 2003, as evidenced by the enclosed materials. Thus, the abandonment of the subject application is wholly unintentional and erroneous.

CONCLUSION

In view of the foregoing, Applicants submit that the holding of abandonment be withdrawn. As evidenced by the enclosed materials, Applicants provided a timely and complete reply to the Office letter of May 27, 2003.

Accordingly, Applicants respectfully request withdrawal of the holding of abandonment of the above-referenced patent application, and entry of the enclosed response to the Office letter of May 27, 2003.

No fee is believed to be due in connection with the filing or consideration of this petition. In the event any fee(s) is/are due, however, please charge such fee(s) to Deposit Account No. **04-1105**.

Respectfully submitted,

EXTENSION OF TERM

NOTE: "Extension of Time in Patent Cases (Supplement Amendments) — If a timely and complete response has been filed after a Non-Final Office Action, an extension of time is not required to permit filing and/or entry of an additional amendment after expiration of the shortened statutory period.
